MEMORANDUM FOR THE RECORD

STAT

FROM:

Policy and Plans Group

SUBJECT: OD&E Query Regarding DCID 1/19 Procedures

REFERENCE: Memorandum from AD/OD&E dated 15 November 1978, subject: Uniform Procedure for Administrative Handling and Accountability of Sensitive Compartmented Information, DCID 1/19 (OS 8 3271)

1. The undersigned, pursuant to guidance from the DD/P&M, contacted the Chief, Security Staff, OD&E and discussed several problem areas raised by the Acting Director, Development and Engineering/DDS&T, in the reference memorandum on 21 May 1979.

2. It was noted and agreed by the Chief, Security Staff that the guidance in DCID 1/19 represented minimum standards and certainly the Agency's procedures would and could exceed these as established by internal regulatory issuance.

3. Regarding the problem raised by OD&E concerning their courier system, it was agreed that the Chief, Security Staff would initiate specific correspondence to the Senior Intelligence Officer (SIO), through the Director of Security for concurrence, requesting a waiver of DCID 1/19 standards. The C/Security Staff accepted the position put forth by the undersigned that a waiver would be more appropriate than attempting to seek a revision of 1/19.
